Screen Cleaning Gel Twin Pack 2x30ml

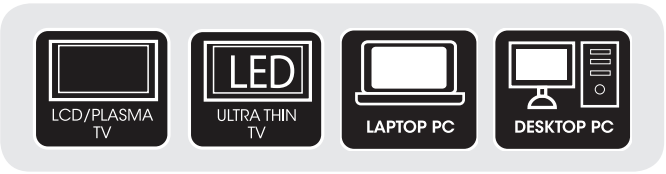
For LCD, LED and Plasma flat panel TVs & Desktop or Laptop PC monitors

CLEAN YOUR SCREEN SAFELY!

CLEAN YOUR SCREEN SAFELY!

Many cleaners 'suitable' for LCD and Plasma screens use alcohol. Regular cloths or dusters can leave microscopic scratches on the delicate screen surface. Alcohol can penetrate these scratches, seeping into the electronics behind the screen. This can not only degrade picture performance, but also lead to total failure of the screen that may not be covered under warranty.

Peerless-AV cleaning gel does not use alcohol and the gentle yet effective microfibre cloth cannot scratch the screen surface! Two bottles of 30ml alcohol-free, anti-run cleaning gel spray are the ideal accompaniment to your laptop whilst travelling, or refill the Peerless-AV Screen Cleaner CL-SCA300.



Features & Benefits

- Twin 30ml bottles of screen cleaning gel for LCD, LED & Plasma flat panel TVs and desktop & laptop computer monitors
- Ideal refill for Peerless-AV Screen Cleaner CL-SCA300
- Pump spray action: spray cool screen with 1-2 squirts of gel
- Always consult User Manual for AV equipment before use to ensure product is suitable
